OFFICE OF PETITIONS

In re Patent No. 7,313,822 :  
Issue Date: December 25, 2007 :  
Application No. 09/809,030 : ON PETITION  
Filed: March 16, 2001 :  
Attorney Docket No. 58525.00004.UTL1 :

This is a decision on the petition filed August 7, 2009, under 37 CFR 3.81(b) to correct the name of the assignee on the front page of the above-identified patent by way of a certificate of correction.

The request is **GRANTED**.

Petitioner states that the correct assignee's name is "Kavado, Inc." and that the incorrect assignee's name was included on the Fee(s) Transmittal form PTOL-85(b) at the time of payment of the issue fee. Accordingly, petitioner requests that a certificate of correction be issued to reflect the correct assignee on the front page of the Letters Patent in the patent to be issued from the application.

37 CFR 3.81(b), effective June 25, 2004, reads:

*After payment of the issue fee:* Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter.

The request was accompanied by a certificate of correction (and fee) as required by 3.81(b). Further, Office assignment records reflect that "Kavado, Inc." is the assignee of record. Accordingly, as the request complies with the provisions of 37 CFR 3.81(b), it would be appropriate for a certificate of correction to be processed after issuance of this application into a patent.

Inquiries concerning this decision should be directed to the Kimberly Inabinet at (571) 272-4618. Any questions concerning the issuance of a certificate of correction should be directed to the Certificates of Correction Branch at (571) 272-4200.

This matter is being referred to the Certificates of Correction Branch for processing of a certificate of correction after issuance of this application into a patent.

A handwritten signature in black ink, appearing to read 'Carl Friedman', with a long horizontal line extending to the right.
